MC-1 BARISTA PRO

The energy saving and high performance technology of the MC-1 Barista Pro is specifically designed for you to get the most out of your espresso machine, ensuring any blend of coffee is brewed to perfection time and time again.

Newly designed portafilters and steam knobs, available in high-quality olive wood.

Simple and intuitive touch screen.

Fast-opening steam knobs.

30°

Cold-touch steam wands.

Maximum hygiene: the Nanotech coating on the portafilter body, coffee spouts and steam wands ensures that no coffee or milk residues are left inside.

LED lighting guarantees maximum visibility of the working area.
